

Grosvenor Stags make a direct contribution to club funds, either by a single donation or by monthly direct debit.

Some now live overseas, while others are former members, and it's a great way to retain links with the club and continue to contribute to our success.

Many Stags are also current non-playing members who are regularly about the club and see it as a way to recognise the enjoyment they get on Saturdays from watching Grosvenor teams in action.

Grosvenor Stags also get the following:

- An exclusive 'Grosvenor Stag' Lapel pin
- A complimentary Grosvenor tie/car window sticker
- Invite to the annual Grosvenor Stags lunch - [click here](#)
- Access to international tickets
